clause 31) except: (i) in circumstances beyond our control; (ii) in the event of suspicion of unauthorised use or breach of the terms of use for an Online Service; or (iii) for security reasons.

m. We will not be responsible if any information to be made available via the Online Service is not available or is inaccurately displayed due to systems failure, interruptions in the communications systems or other reasons outside of our control.

n. Specific terms and conditions applicable to the Corporate Purchasing Card, Corporate Purchasing Account and Car Rental Account Programmes for your Online Service are set out in Section B. Specific terms and conditions for the Online Service for Cardmembers for the Corporate Card / the Strategic Purchasing and General Services Corporate Card Programmes are set out in the Cardmember Terms and for the Corporate Meeting Card Programme in the Corporate Meeting Card Terms of Use.

### 15. Charges in a Foreign Currency

a. If an Account User makes a Charge in a currency other than the Billing Currency, or if we receive a refund in a currency other than the Billing Currency, that Charge or refund will be converted into the Billing Currency. The conversion will take place on the date the Charge or refund is processed by us, which may not be the same date on which the Charge was made, or the date of the refund, as it depends on when the Charge or refund was submitted to us. If the Charge or refund is not in U.S. dollars, the conversion will be made through U.S. dollars, by converting the Charge or refund amount into U.S. dollars and then by converting the U.S. dollar amount into the Billing Currency. If the Charge or refund is in U.S. dollars, it will be converted directly into the Billing Currency.

b. Unless a specific rate is required by applicable law, or is used as a matter of local custom or convention in the territory where the Charge or refund is made (in which case we will look to be consistent with that custom or convention), You understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources on the business day prior to the processing date (the "American Express Exchange Rate"), to which a non-euro transaction fee of 2.5% will be applied for all Cards except the vPayment Account to which a non-euro transaction fee of 1.00% will be applied, or as otherwise disclosed by us

c. When an Account User makes a Charge in a foreign currency, they may be given the option of allowing a third party (for example, the merchant) to convert the Charge into the Billing Currency before submitting it to us. If Charges are converted by third parties prior to being submitted to us, any conversions made by those third parties will be at rates set by such third parties and may include a commission or charge selected by them. In such cases, we will consider the transaction as a Billing Currency transaction and accept the conversion performed by the third party without charging a non-euro transaction fee. You may however be liable for a conversion fee charged by the third parties. Please ask them for details of any fees they apply.

d. The American Express Exchange Rate is set daily between Monday and Friday, except on December 25th and January 1st. Any changes in the American Express Exchange Rate will be applied immediately and without notice. The rate charged is not necessarily the rate available on the date of the transaction as the rate applicable is determined by the date on which the Merchant, Travel Booking Provider or ATM operator, in the case of Cards which can be used at ATMs, submits a Charge or refund to us which may not be the date on which the transaction is authorised or the refund is made. Fluctuations can be significant.

### 16. Payment

a. All Charges shown on a Statement are due and payable to us in full in the Billing Currency of the respective Account on the date set out on your monthly Statement. Failure to pay on time and in full is a material breach of this Agreement.

b. If we accept a payment made in any other currency than the Billing Currency, the currency conversion will delay the credit to the relevant Account and may involve the charging of currency conversion fees in accordance with the "Charges in a Foreign Currency" section of this Agreement (Section A, clause 15).

c. Charges may be payable for late payments in accordance with the Specific Terms.

d. Unless otherwise agreed with You, we will collect payment in full of all amounts due to us under this Agreement by way of direct debit from your designated bank account on or after the payment due date. You must execute any documents and take any action required to set up a direct debit mandate. You must ensure that adequate funds are available in the bank or payment account designated in the direct debit mandate to enable payment in full to us of all amounts due to us under this Agreement when they become due and payable. If You wish to terminate a direct debit mandate You must obtain our written consent.

e. Payments will be credited to the relevant Account when received, cleared and processed by us. The time for payments to reach us for clearing and processing depends on the payment method, system and provider used to make payment to us. You must allow sufficient time for us to receive, clear and process payments by the due date.

- c. Each party shall treat this Agreement as confidential and must not disclose any of its content to any third party without the other party's prior written consent unless required by court order, applicable law, regulation or any relevant regulatory or supervisory authority.

We reserve the right to provide our standard terms and conditions to clients or prospective clients including placing those terms and conditions on our website.

This includes but is not limited to, adopting and enforcing policies and procedures to limit and control the use of Cards and Card details.
- d. Cards may not be used to purchase goods and services for resale ("Items for Resale") without Our written consent, which may, at Our sole discretion, be granted if: i) You tell Us in writing that You wish to use the Card to purchase Items for Resale; ii) You accept sole liability for all Charges for Items for Resale; even if, for the Corporate Card Programme, You have selected either the 'Combined Liability' or 'Individual Liability' option (see Section B I. clause 3 ("Liability for Charges")).
- e. You must tell Us immediately in writing when an Account User (including a Cardmember and Authorised User or Authorised Approver) or the Programme Administrator notifies You of his/ her intention to leave Your employment, ceases his/her association with You for whatever reason or is no longer authorised by You to participate in and/or administer a Programme for any reason and provide details of the actual or expected date of the event. If a physical Card has been issued, You must obtain the Card from the Cardmember or Authorised User and either destroy it or return it to us.
- f. If the full exact amount of the transaction (other than a Corporate Card transaction) is not specified at the time You or an Account User authorises the Charge, You will remain liable for the full amount of the resulting Charge.

### 3. Prohibited Uses

You must ensure that Account Users do not:

- i) except as may be required if the Account User allows another service provider to obtain authorised access to, or to make authorised Charges from, an Account in accordance with the Ordinance, disclose any Card details or Codes to any person other than to consent to a transaction (except for the telephone Code established for use on an Account which may be provided to Us by telephone);

This means that the maximum amount that can be outstanding at any time on the Master Account and/or such Accounts shall not exceed the Account Limit.
- b. We may impose or change Account Limits at any time. We will notify You either prior to or at the same time as any introduction of or change to an Account Limit.

We may decline a transaction due to technical difficulties, security concerns, fraud or suspected fraud including unusual spending behaviour, Your breach of contract or an increased possibility of non-payment, even if the Account Limit has not been exceeded. The Account User will be notified of any refusal by the Merchant, through the terminal or website on which the Card is used. For the avoidance of doubt, You must settle any Charges in respect of which You have raised a query (other than under the Corporate Card / Strategic Purchasing and General Services Corporate Card Programmes). If We determine that Your query is valid, We will apply a credit to the relevant Account. Credits will appear on Your Statement.

You must contact Us to obtain the relevant payment information by alternative means if You are unable to access or have not received a Statement.

### 8. Disputes with Merchants

### 12. Replacement Cards

- a. If You or an Account User reports a Card as lost or stolen in accordance with the “Unauthorised Charges/Lost and Stolen or Otherwise Missing Cards, Misuse of an Account, Queries” section of this Agreement (Section A, clause 10), We will cancel the Card and issue a Replacement Card. If a lost or stolen Card (if issued in physical form) is subsequently found, You must ensure that it is cut into two or otherwise destroyed and not used anymore.
- b. The Card is only valid for the time period stated on it. All Cards remain Our property at all times. We, or anyone We ask on Our behalf, including Merchants, may request that You or an Account User destroy Cards, for example, by cutting them up or returning them to us. We may also request another person, including Merchants to retain Cards on Our behalf.
- c. We may send a Replacement Card to the Cardmember or Authorised User (if a Card was issued in physical form) before the current Card expires.
- d. We may choose not to renew any current Card without notice if it has not been used for a period of at least twelve (12) months. If a new Card is not issued, the Account will not automatically terminate. You, the Cardmember or Authorised User may request that a new current Card be issued within twelve (12) months of the expiry of such Card. If We do not receive a request for a new Card within this time, We reserve the right to close the Account and will notify the Cardmember directly in the case of the Corporate Card, the Strategic Purchasing and General Services Corporate Card and Corporate Meeting Card Programmes and You in the case of any other Programme.

### 13. Suspension of Cards and Accounts

- a. We may immediately stop or suspend You or an Account User from using any Card, Master Account or Account, and suspend the services linked to a Card, on reasonable grounds related to:
  - (i) the security of the Card, Account, Card Pool or vPayment Transaction Numbers;
  - (ii) if We suspect unauthorised and/or fraudulent use based on, for example, a finding of suspicious transactions upon analysis of transaction data and loss events or in the event credit institutions or the police inform Us of fraud cases or data breaches at third parties which may have compromised Account data or there is information that data has been tapped;
  - (iii) a significantly increased risk that You may not be able to pay Us any amounts due under this Agreement in full and on time; or
  - (iv) a significantly increased risk that a Cardmember Account may not be paid in full and on time by You or a Cardmember (as applicable).

In these cases We may notify You before We stop or suspend use or immediately afterwards. We will, where possible, tell You the reasons for Our decision. Please refer to the “Communications with You and the Programme Administrator” section of this Agreement (Section A, clause 21) for details of how We will tell You.

- b. For the avoidance of doubt, the Agreement will continue in effect notwithstanding the suspension of any Card or Account and, subject to the “Liability for Charges” section of this Agreement (Section A, clause 4 or Section B I. clause 3) in respect of the Corporate Card / Strategic Purchasing and General Services Corporate Card Programme, You will be responsible for all Charges as set out in this Agreement and for complying with the terms and conditions of this Agreement.

### 15. Charges in a Foreign Currency

a. If an Account User makes a Charge in a currency other than the Billing Currency, or if We receive a refund in a currency other than the Billing Currency, that Charge or refund will be converted into the Billing Currency. The conversion will take place on the date the Charge or refund is processed by us, which may not be the same date on which the Charge was made, or the date of

## Company Terms and Conditions - Effective from June 1<sup>st</sup>, 2025

the refund, as it depends on when the Charge or refund was submitted to us. If the Charge or refund is not in U.S. dollars, the conversion will be made through U.S. dollars, by converting the Charge or refund amount into U.S. dollars and then by converting the U.S. dollar amount into the Billing Currency. If the Charge or refund is in U.S. dollars, it will be converted directly into the Billing Currency.

b. Unless a specific rate is required by applicable law, or is used as a matter of local custom or convention in the territory where the Charge or refund is made (in which case We will look to be consistent with that custom or convention), You understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources on the business day prior to the processing date (the "American Express Exchange Rate"), to which a non-euro transaction fee of 2.5% will be applied for all Cards except the vPayment Account to which a non-euro transaction fee of 1.00% will be applied, or as otherwise disclosed by us

c. When an Account User makes a Charge in a foreign currency, they may be given the option of allowing a third party (for example, the merchant) to convert the Charge into the Billing Currency before submitting it to us. If Charges are converted by third parties prior to being submitted to us, any conversions made by those third parties will be at rates set by such third parties and may include a commission or Charge selected by them. In such cases, We will consider the transaction as a Billing Currency transaction and accept the conversion performed by the third party without charging a non-euro transaction fee. You may however be liable for a conversion fee charged by the third parties. Please ask them for details of any fees they apply.

d. The American Express Exchange Rate is set daily between Monday and Friday, except on December 25<sup>th</sup> and January 1<sup>st</sup>. Any changes in the American Express Exchange Rate will be applied immediately and without notice. The rate charged is not necessarily the rate available on the date of the transaction as the rate applicable is determined by the date on which the Merchant, Travel Booking Provider or ATM operator, in the case of Cards which can be used at ATMs, submits a Charge or refund to Us which may not be the date on which the transaction is authorised or the refund is made. Fluctuations can be significant. The total cost of converting Your currency (We call this the 'the Currency Conversion Charge') consists of the American Express Exchange Rate and the non euro transaction fee. Regulation requires Us to provide You with information to enable You to compare the cost of the Currency Conversion Charge with reference rates issued by the European Central Bank. This information can be found on Our website

e. You agree You are acting only for the purposes of Your trade, business or profession and acknowledge and agree that We are not required to send any notifications to You relating to currency conversion Charges, as required by Regulation (EU) 2019/518 on certain Charges applicable to cross-border payments in the Union and currency conversion Charges.

### 16. Payment

a. All Charges shown on a Statement are due and payable to Us in full in the Billing Currency of the respective Account on the date set out on Your monthly Statement. Failure to pay on time and in full is a material breach of this Agreement.

b. If We accept a payment made in any other currency than the Billing Currency, the currency conversion will delay the credit to the relevant Account and may involve the charging of currency conversion fees in accordance with the "Charges in a Foreign Currency" section of this Agreement (Section A, clause 15).

c. Charges may be payable for late payments in accordance with the Specific Terms.

d. Unless otherwise agreed with You, We will collect payment in full of all amounts due to Us under this Agreement by way of direct debit from Your designated bank account on or after the payment due date. You must execute any documents and take any action required to set up a direct debit mandate. You must ensure that adequate funds are available in the bank or payment account designated in the direct debit mandate to enable payment in full to Us of all amounts due to Us under this Agreement when they become due and payable. If You wish to terminate a direct debit mandate You must obtain Our written consent.

e. Payments will be credited to the relevant Account when received, cleared and processed by us. The time for payments to reach Us for clearing and processing depends on the payment method, system and provider used to make payment to us. You must allow sufficient time for Us to receive, clear and process payments by the due date.

f. Acceptance of late payments, partial payments or any payment marked as being payments in full or as being a settlement of a dispute will not affect or vary any of Our rights under this Agreement or under applicable law to payment in full.

g. We do not pay any interest on positive balances on an Account.

h. Any payment by You must be made from a business bank account in the name of the company. A bank account must be held with a bank established in the Single Euro Payments Area ('SEPA'). Failure to pay in this way may affect the ability to use the Card(s).

### 17. Recurring Charges

a. In order to avoid potential disruption of Recurring Charges and the provision of goods or services by the Merchant or Travel Booking Provider (for the Business Travel Account Programme) in the case of a Replacement Card or Card being cancelled, You

## Company Terms and Conditions - Effective from June 1<sup>st</sup>, 2025

or the Account User need to contact the Merchant and provide Replacement Card information or make alternate payment arrangements.

b. Recurring Charges may be charged to a Replacement Card without notice to You; in which case You and/or, for the Corporate Card / Strategic Purchasing and General Services Corporate Card Programmes only, the Cardmember (depending on which liability structure is chosen for the Cardmember Account, please see the “Liability for Charges” sections of this Agreement (Section A, clause 4 and Section B I. clause 3)), are responsible for any such Recurring Charges but please note that We do not provide Replacement Card information (such as Card number and Card expiry date) to all Merchants or Travel Booking Providers (for the Business Travel Account Programme).

c. To stop Recurring Charges being billed to a Card, You, or for the Corporate Card/ Strategic Purchasing and General Services Corporate Card Programmes only, the Cardmember, may wish to advise the Merchant or Travel Booking Provider (for the Business Travel Account Programme) in writing or in another way permitted by the Merchant or Travel Booking Provider.

### 18. Insurance

For certain Programmes, You and Cardmembers may benefit from insurance taken out by Us with third party insurance providers. The continuing provision, scope and terms of the insurance benefits may be changed or cancelled by Us or the third party insurance provider at any time during the term of this Agreement. We will give You at least sixty (60) days advance notice of any detrimental changes to, or cancellation of, the insurance benefits.

### 19. Confidentiality

a. All business or professional secrets or other information disclosed or supplied by one party to the other party must be kept confidential except as necessary for the proper performance of the respective Programme(s) or as otherwise expressly provided in this Agreement or agreed between us.

b. Any confidential information may be used by either party for any purpose or disclosed to any person to the extent that it is public knowledge at the time of disclosure through no fault of the receiving party or to the extent that the disclosing party is required to disclose the confidential information pursuant to unambiguous requirements of applicable law or a legally binding order of a court or other authority or regulatory body or supervisory authority.

c. Each party shall treat this Agreement as confidential and must not disclose any of its content to any third party without the other party's prior written consent unless required by court order, applicable law, regulation or any relevant regulatory or supervisory authority.

d. Notwithstanding this clause 19, We shall be entitled to disclose this Agreement to a potential purchaser (for example in the event of an assignment or business transfer pursuant to the “Assignment” section of this Agreement (Section A, clause 29)), subject to Us entering into a non-disclosure agreement with such purchaser. We reserve the right to provide Our standard terms and conditions to clients or prospective clients including placing those terms and conditions on Our website.

e. We may transfer any information (including confidential information) We hold about You or regarding any Account to our Affiliates, including Our and their processors and suppliers in order to support the operation of the respective Programme(s) worldwide or to a third party pursuant to the “Assignment” section of this Agreement (Section A, clause 29). We shall impose appropriate duties of confidentiality on such companies.

f. Without prejudice to the legal provisions relating to professional secrecy, We reserve the right, at Our sole discretion, to provide information regarding You, any Account and payment history to bank and financial institutions.

g. The provisions of this clause shall survive for a period of five years from termination of this Agreement.

### 20. Data protection
