American Express @ Work®

Manage Reporting

@ Work Reporting has been transformed into a
modern and User-friendly console that helps you
manage your programme seamlessly and effectively.

The uplifted Reporting pages give you
easy access to a range of reports using an
intuitive and streamlined process to get the
information you need for effective programme
management and data-based decisions.

To Manage Reports, start at the
@ Work Homepage, select "**My Programme**"
and navigate to @ Work Reporting.
